ABOUT GLOBAL DISTRICTS

MISSION & VISION

The project envisions a world where every young person becomes a driving force for positive change. Its mission is to empower youth from marginalized contexts by fostering their active role in global challenges. Through a focus on Global Citizenship Education it equips young people to inspire inclusive societies and shape a better future for all.

FUTURE GOALS

The project envisions a future led by a generation of empowered youth, equipped to tackle challenges on both local and global scales. By strengthening participation and promoting innovative solutions, it seeks to drive meaningful change and create lasting impacts within communities and beyond.

Promote Global Citizenship Education to foster inclusion and civic engagement among marginalized youth

Activate young people to address local and global challenges with innovative, community-driven solutions

Advance gender equality and intersectionality by empowering young women and girls in democratic and participatory processes

LOCAL SOLUTIONS FOR GLOBAL CHALLENGES!
